

## 2A FAST & STRONGER

2A Fast Charging | 480Mbps Hi-Speed Syncing | OD4.0 Thicker Wire  
SR Reinforced Joint | 50,000+ Bend Lifespan | Heat Resistance  
Skin-Friendly Brushed Exterior

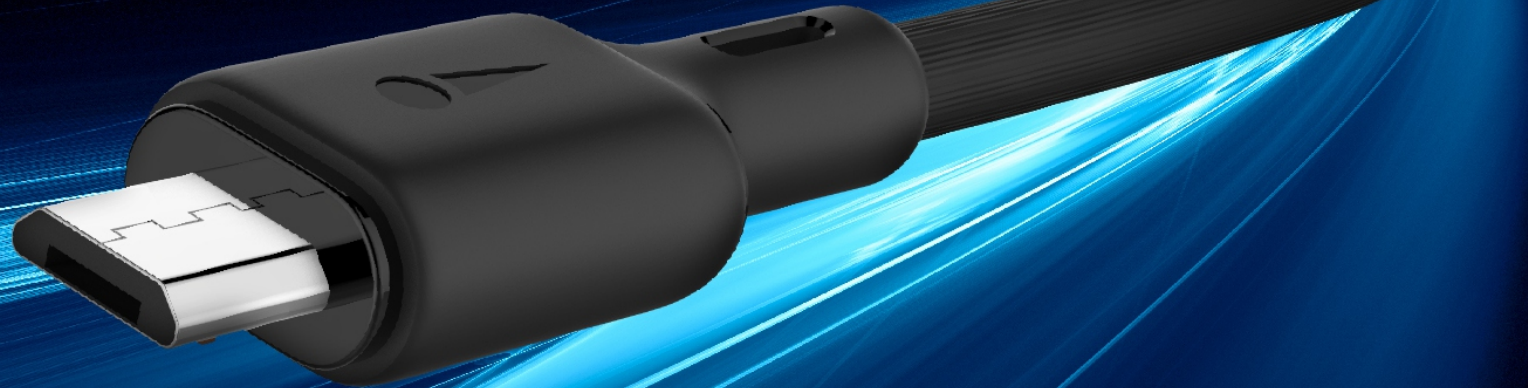

FAST

## 2A Fast Charging with Copper Core

Utilizes pure copper core to reduce resistance, achieving 60% higher charging and transfer efficiency compared to other cables.

## Improved Grip

A skin-friendly brushed exterior provides a better hand feel.

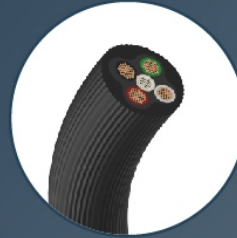

# Designed for Durability

Constructed with an upgraded OD4.0 larger wire diameter.  
Say goodbye to severe joint damage.

SR Reinforced Structure

OD4.0 Wire Diameter

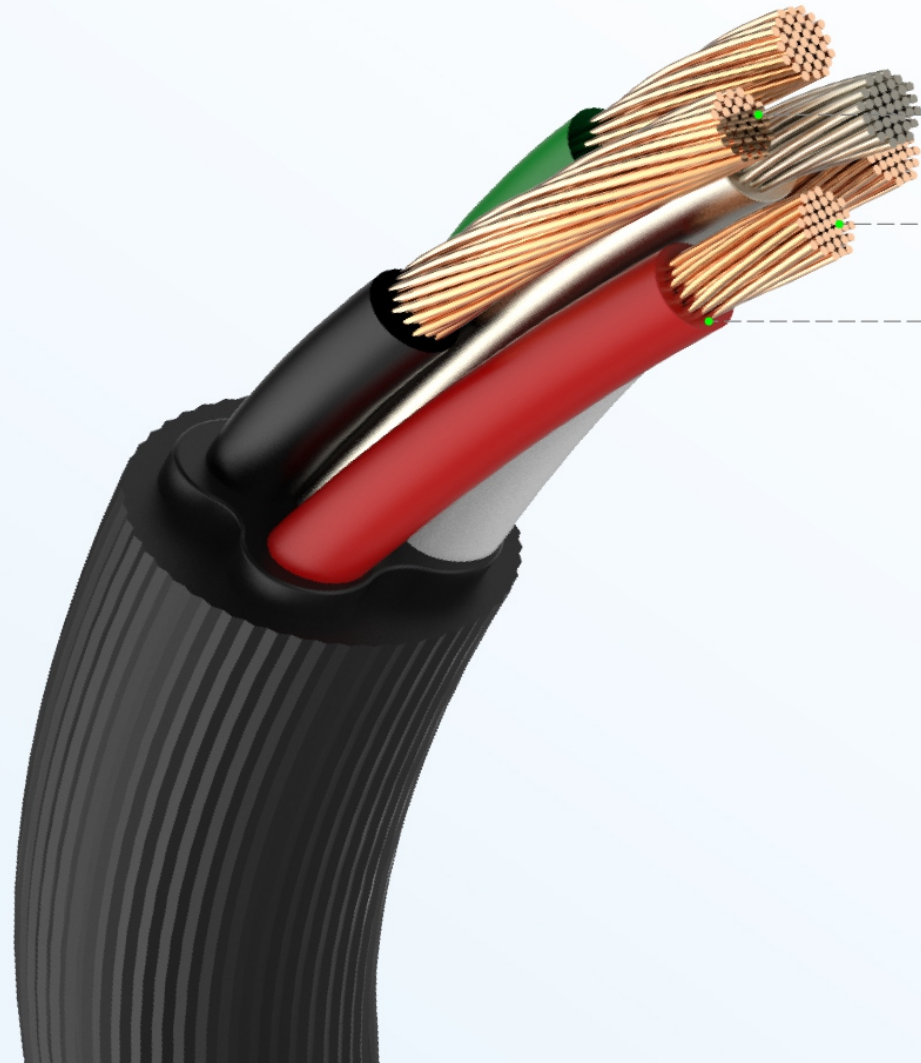

50,000+ Bend Lifespan

300D Bullet-Proof Fibres  
(Up to 7kg Bearing Load)

28-AWG Core

24-AWG Core

PVC Insulation Layer

## Secure Protection

Durable shielding and premium 28/24-AWG wire cores ensure heat resistance and secure connection.
